October 3rd, 2007

Dear ASM Hartford Chapter members,

This year for the first time the UConn Material Advantage (UCMA) chapter invites you to join the student members at a joint ASM Hartford-UCMA tailgating party.

Please join us on Saturday, October 27th, 2007 starting at noon at Rentschler's Field in East Hartford, CT. The UConn Huskies football team will be playing the South Florida Bulls later in the afternoon and tickets are still available. UCMA will be providing beer and soda, you are asked to please bring a potluck item.

This is a wonderful chance to meet this year's promising set of students in a relaxed setting and support the UConn Huskies. This great pastime will be a fun, refreshing way to meet students you may never encounter otherwise.

If you have any questions, please direct them to either Dr. Rainer Hebert at (860) 486-3155 or send the UCMA chapter an email directly to Material.Advantage.UConn@gmail.com.

We can't wait to see you at the game!
Go Huskies!

Respectfully,

Amber N Black

Undergraduate President, UCMA
